

## Weekly Newsletter 14<sup>th</sup> July 2017

It was wonderful to see so many parents, carers, and families in school this week for Family Learning Week. The parent-teacher meetings took place to discuss your child's end of year report, new class list and transition planning as we prepare for the new academic year. We are so proud of your child's progress, and are so glad you are able to view this through the 'Evidence for Learning' learning journal.

It was fantastic to see so many families at International Evening on Wednesday. We celebrated our diversity through a range of activities and performances. The food that you brought to share with one another reflected the beauty and warmth of our school community. The pupils had fun together in the safety of our school environment. Thank you for joining us and making the International Evening another special end of year event.

### 'Evidence for Learning' End of Year Report

Please contact us if you need support to access, view, or save your 'Evidence for Learning' account and learning journal. The team can help you setup your account and password. This is the end of year report you viewed which contained your child's progress through videos and images.

### Parent Council Meeting

The Parent Council meeting on 13<sup>th</sup> July reflected on the activities throughout the year. It was very positive to hold the Immersion Days through joint planning, and organise the transition process with you. We will continue to work together to plan Immersion Days, workshops, and discuss priorities you have. We discussed some current issues related to the summer holidays.

-If any parents are not receiving carer support that is listed in Education, Health, and Care Plans-please contact the school so that we can discuss this with Camden Local Authority.

-Playzone and Greenhouse provision over the summer will be sent to parents and carers next week. If you have any questions, please contact the school.

### Last Day of School

The last day of the school year is Friday, 21<sup>st</sup> July 2017 at 1:30pm.
