

Weekly Newsletter 7 July 2017

We have a number of exciting activities and events packed into our last two weeks of term!

Next week is **Family Learning Week**. All parents, carers and families are invited to attend end of year report progress meetings with their class teachers. Teachers will be in touch with families to arrange convenient time slots. This is also an opportunity to discuss transition programmes and plans for next year, and to look back over the year and celebrate the achievements and progress made by pupils. As mentioned in last week's newsletter, the end of year report is captured on **'Evidence for Learning'** – an online journal of your child's progress and achievements throughout the year using videos and pictures which can only be accessed through a data protected login and password. The meeting will also provide another opportunity for you to have your 'Evidence for Learning' account set up by a member of our Technology Team and for you to update your key information – address, phone numbers, email and photo permissions for your child.

A highlight of our Family Learning Week is the **International Evening** on **Wednesday 12 July** from **4.30 – 6.30 pm** where we hope to see as many of you as possible to enjoy our diverse cultures and community together in an evening of food, costume, music, fun and celebration.

Welcome to Swiss Cottage School's Annual
International Evening 2017

Class transitions begin on **Thursday 13 July**, continuing until the end of term on 21 July. This means some of our classes will be moving to new spaces within the building. The families of all affected classes will be receiving a letter from their Head of School. If you have any questions or concerns please do not hesitate to contact your Head of School – Monika for Lower School, Eileen for Upper School. **The last day of school is Friday 21 July, finishing at 1.30 pm.**

Reminder - School Uniforms

Orders for school uniforms need to be made, via Agora, before the end of term on Friday 21 July so that they can be ready for the start of the new school year in September. Please contact a member of the Finance Team if you are experiencing problems with Agora.

Have a wonderful weekend and we look forward to seeing you next week!
