

Weekly Newsletter 30th September 2017

Dear Parents, Carers, and Families,

General Updates

This week pupils from across the school celebrated Navaratri Festival. Navaratri Festival is a multi-day Hindu festival celebrated before Diwali. Through multi-sensory experiences, dance and food pupils learnt about Hinduism and had lots of fun!

Some classes have completed their first trips this week to support their learning about this term's theme of changes. All pupils have enjoyed the trips immensely and it was great to see parents and carers supporting class outings. Here are few snapshots of what's been happening this week:

Tulip Class at the London Zoo!

Seacole Class and Snowdrops exploring changes through colours and textures.

Magic Breakfast

Pupils from our post 16 provision started 'Magic Breakfast' service last week. This is being offered to all classes from across the school and encourages our young pupils to develop independence, life and work related skills. Younger pupils have a chance to taste different foods and develop their communication and life skills too!

Induction Morning

Parents, carers and families of all new pupils to the school are invited to an induction morning on Wednesday 4th October 2017, between 10am and 11.30am. This will be a great opportunity to meet the Senior Leadership Team, Extended Leadership Team and therapists from across the school. This will also be a chance to learn more about Swiss Cottage School and how we work together to plan the best pathway for your child.

Coffee mornings

It was great to see so many of you around the school this week. Class teams are organising more sessions for parents, carers and families next week, so please do make sure to visit us! It is such a fantastic opportunity to meet class teams, therapists and other parents.

Best wishes,

Monika Gaweda
Head of School
