### Claudia

Claudia is 11 and a friend of one of our learners. To celebrate her Bat Mitzvah in March 2019 she is undertaking a fundraising project. She has thought long and hard about something she could do which would feel like she was making a difference. Claudia loves reading and, with the money she has raised for our school so far, she has bought books for our new Sensory Library which was opened on 16<sup>th</sup> November by our former Vice Principal, Maisie Sammon. Claudia visited us last week to donate the books – what an amazing young girl!

### Caterlink Lunches

We have been working closely with Caterlink, the school's meals provider, to improve the provision of school meals and create a positive learning environment. From this week Caterlink have been serving lunch across the school offering a variety of foods

laid out separately and clearly labelled. This supports our learners in the development communication skills around choice making, expressing preferences, likes and dislikes and independence skills.

### **Report back from Parent Council: Wednesday 29<sup>th</sup> November**

Parent Council met this week and discussed various items: fund raising opportunities for parent representatives to get involved with, the sensory room launch, festive celebrations timetable, library opening and after school clubs. We had a very productive session and all parents/carers are welcome to join us for the next meeting on January 10<sup>th</sup> at 10.00am. We will be going on a learning walk around the school to look at the library and newly launched sensory rooms.
