

Dear Parents, Carers and Families,

This week we bring you news of:

- Report from Parent Council – 10 January
- Post 16 work experience
- Transport Training
- Camden Special Parents Forum – Spring Calendar 2018

Our first full week of term got underway with classes enjoying a range of activities including the first riding session of the year at Hyde Park Barracks where pupils learn how to develop their physical, social and emotional interaction through games, activities and sensory stimulation through riding, grooming and engaging with the ponies.

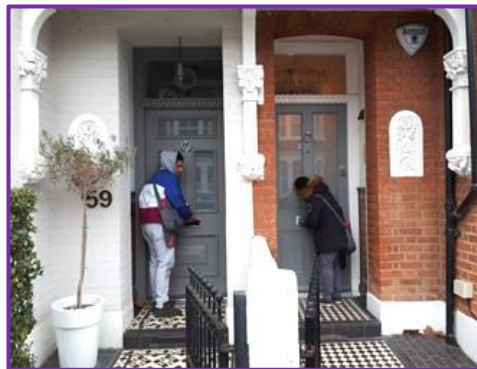

Some of our younger learners also enjoyed ice-skating on a trip to JW3. This winter was the fifth year that the arts centre opened its ice rink. The centre also provides penguin stabilisers and seated banana toboggans.

### **Parent Council**

Our first Parent Council meeting this year, took place on Wednesday morning where we discussed school updates, transport policy and took a virtual tour around the newly refurbished sensory rooms. Parent Representatives also looked at fund raising for after school provision. Our next meeting will take place on 7 February at 10am.

### **Post 16 work experience**

Six of our Post 16 students took part in a work experience opportunity on Monday, leafleting for a Swimming Club in South West London. Despite the cold, they worked very hard to deliver over 500 leaflets and finished by enjoying a hot chocolate to warm up!

### **Transport Training**

Last year we started offering training and development sessions to the bus drivers and escorts to work together to support our pupils in their journeys to and from school. On Tuesday and Wednesday we did refresher training on:

- Understanding the ways our pupils communicate
- How our pupils' sensory experiences can impact on their journey
- Understanding that behaviour is a form of communication
- Strategies to respond in positive ways to support pupils who might become agitated on the bus

It also gave us the opportunity to hear from the bus crews what we can do as a school to support them in sharing information, visual resources and strategies. We will offer further training sessions across the school year, and continue to meet with them to ensure pupils come to school ready to learn, and are able return home in a relaxed manner at the end of the day.

### **Camden Special Parents Forum Spring Calendar 2018**

Attached on the reverse of this letter is the Camden Special Parents Forum calendar of events for this term. Any parents/carers in Camden with a child or young person with SEND are welcome to join in any of the meetings or workshops.

Lastly a gentle reminder that Medium Term Plans, PLIMS and updated staffing class-lists for your child have been sent home with children this week. Please contact your class-teacher if you have not received any of these or have any questions relating to them.

Have a lovely weekend!
