

Dear Parents, Carers and Families

Welcome to this week's newsletter! Last week the Parent Council enjoyed a virtual tour of our two new sensory rooms. Class teams are being trained in the use of the new technology to promote deeper learning and progress through the equipment. Our learners are thoroughly immersing themselves in sensory activities and enjoying the learning in these spaces.

Sixth Form

Our Sixth Form enjoyed an afternoon at the Hive Youth Club. The Hive Youth Club is a thriving community resource part funded by Camden Council and co-designed by young people to be a safe and welcoming place to relax, meet new people, take part in events and activities.
