

Dear Parents, Carers and Families

We had an exciting week at Swiss Cottage! Our two new Sensory Rooms were opened at a launch event on Thursday. The sensory rooms have the newest technology to support the holistic progress of our pupils. The two rooms have taken six months to develop, and this was possible through the £40,000 of fundraising from

the Lions Club of Enfield.

They joined the event on Thursday to explore the new sensory rooms with pupils and hear powerful words from members of the Parent Council. Sixth Form pupils hosted the event and served

refreshments to guests very confidently. Class teams are being trained on the range of ways the new technologies can be used to support your child's development.

Student Council

This week's meeting involved an exciting discussion about the playground and how to stay healthy. They are keen to choose the colours for PE kits and will do this once we are ready to share colour options with them. The group have taken away next steps to the classes which will shape developments in the playground's resources.

Family Learning Week is next week 5th to 9th February. You should have received information from your child's class teacher inviting you into school for shared learning experiences with the class. Please contact your child's class teacher if you have any queries. We look forward to seeing as many of you as possible.

Parent Council takes place on **Wednesday, 7th February 10:00-11:30.**

School Charity Glam Party
28 February at 5.30 – 8.00 pm

You are invited to join the 5th annual Glam Party. The Glam Party is run by students in the Upper School who help sell gently used designer clothing and accessories. These items are donated to us by families in our partner schools, mostly from Highgate School. This year, we also have items donated to us by the stylist Nini Khatiblou who gave our pupils Christmas presents. It is a great chance to meet other parents and enjoy some time together.
