

Dear Parents and Carers,

Earlier this week pupils from Key Stages 4 and 5 hosted the highly anticipated annual Glam Party. The event was as popular as ever with families as well as members of the local community. Pupils prepared a delicious range of canapes for the evening, which they served to the guests and customers alongside drinks. The team of young people led the sale with confidence and self-assurance. Thank you to everyone who has supported this school charity fundraising event. The event raised £3,000. What a fantastic achievement and a great learning opportunity!

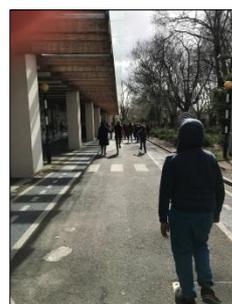

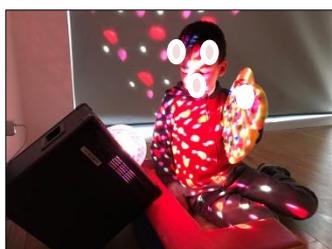

This week we have hosted 26 students and staff from Sweden, Doncaster and Lithuania as part of our final exchange through the 'Erasmus Imagining the Future' programme. It was the first time some of the students have visited United Kingdom and London and they enjoyed joining the Swiss Cottage pupils in variety of different day time and evening activities such as karaoke and river boat Thames cruise.

Classes across the school raised money this week for Sports Relief by engaging in a variety of activities including 'walk a mile', trampolining, disco and drama.

Here are some of the highlights from the Sports Relief day which we held on Friday 23rd March.

Pupils and staff wore a host of different and odd spotty, striped, long, short, patterned and plain socks this week in support of Down Syndrome Awareness Day 201 #LotsofSocks. A fun way of raising awareness of Down Syndrome!

Younger pupils visited Willows Farm this week and enjoyed learning about animals and their habitats.

On Monday 26th March 2018 our NHS colleagues are hosting 'Purple Day' to raise awareness of epilepsy. This will be held at the Sun Room, Kentish Town Health Centre, Bartholomew Road, NW5. The event is from 10.30am until 12.00pm. This is an opportunity for any child or young person with epilepsy and their families, parents or carers to meet others and have an input into local epilepsy services. For more information, please speak to Emma, our school nurse.

Everyone is encouraged to wear purple clothing on the day to raise awareness of epilepsy.

Purple Day

Raising awareness for epilepsy

Monday 26th March 2018
10:30am-12pm in
The Sun Room at Kentish Town Health Centre, Bartholomew Road, NW5 2BX

- ✓ Are you a child or young person with epilepsy?
- ✓ Do you have or care for a child/teenager with epilepsy?
- ✓ Would you like to help raise awareness of the condition

If you answered **yes** to the above questions then come along for a tea or coffee with us and have the opportunity to meet others and have input into local epilepsy services.

Feel free to wear anything purple!!!!

Dates for your diary:

- Thursday 29th March 2018 – Last day of school for pupils and staff. School will finish at the usual time, 3.30pm.
- Spring Holiday: from Friday 30th March (Good Friday) until Friday 13th April 2018
- Monday 16th April 2018 – first day of summer term (pupils and staff back at school)
- Friday 4th May 2018 - Professional Learning Day for all staff, no school for pupils
- Monday 7th May 2018 - Bank Holiday Monday

Best wishes,
Monika Gaweda, Head of School
