

Weekly Newsletter, 8th March 2018

Dear Parents and Carers,

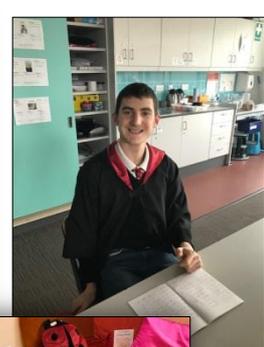

On Wednesday earlier this week, some of our post-16 learners, along with thousands of other young people from across the UK, attended the fantastic WE day event at Wembley Stadium. This event united the young people in their pledge to tackle environmental and global issues. The event was the launch day to inspire young people into make a difference in their

communities. Post 16 students at Swiss Cottage have committed to fight against food poverty in London. Working together with "WE Scare Hunger", students in school will be collecting items to donate to local food banks. Anyone who wishes to donate can leave non-perishable items in the specific collection point at school reception.

World Book Day: 9th March 2018

Classes from across the school celebrated world book day this Friday. Pupils and staff dressed up as their favorite book characters and enjoyed sharing, exploring and listening to stories throughout a day.

Parent Council

Parent representatives met on Wednesday for their monthly meeting. The parent group were impressed with their tour of the newly refurbished sensory rooms and the library and were keen to discuss future ways to get involved with fund raising events.

The parent council meeting schedule will be revised for the rest of the school year and dates will be shared in next week's newsletter.

Camden Music Festival in Royal Albert Hall, 21st March 2018

Pupils from Upper school are taking part in Camden Music Festival in Royal Albert Hall on 21st March 2018. This special concert celebrates the musical achievements of over 2,000 children and young people from Camden schools. The festival takes place at one of London's most famous music venues, the Royal Albert Hall. Over 3500 councilors, teachers, celebrities, parents, local businesses, journalists and many more come together under one (rather magnificent) roof to enjoy the music, energy, creativity and inclusive nature of the borough of Camden.

Best wishes,
Monika Gaweda, Head of School
