

Dear Parents, Carers and Families,

Welcome back after the holidays, we hope that you have had a wonderful break. Our first full week of the summer term got underway with classes enjoying a range of activities including horse-riding, work experience and activities related to the new theme for the term – water.

During the spring holidays one of our Post 16 pupils took part in an adult football tournament at St Georges Park, the home of England football. The tournament had a number of teams from across the country taking part and was a fun packed day. Zaki was part of two successful teams during the day and came away with two trophies! Congratulations Zaki!

Summer Term Updates

This week, teaching teams will share their Medium Term Planning and outline activities and sessions to be worked on in school this term.

Next week you will also receive the Summer Term Personal Learning Intention Maps (PLIMs), which specify outcomes your children will be working towards this term, as well as details of any staffing updates.

Please contact class teachers for any questions or queries.
