

Our vision

'We will provide real world learning opportunities to prepare young people for a meaningful, happy and safe life beyond school'.

We aim to...

Offer meaningful learning opportunities

Provide suitable learning environment

Offer age appropriate opportunities

Maximise capabilities for independent living

Prepare for adulthood

Offer meaningful learning opportunities

Enable social skills and communication

Develop health and well being awareness

Access the community safely and independently

Access the community information (health; leisure; transport; safety)

Prepare for meaningful work and understanding the world of work

Personalised Vocational Pathways for pupils on the Informal, Semi-Formal and Formal Curriculum

Learning opportunities are designed around each individual offering a curriculum which include:

Physical Development

Functional Skills

Living skills

Personal skills
