

## Weekly Newsletter 25<sup>th</sup> November 2016

This week was National Road Safety Week, and classes have explored this in different ways across the school.

In Lower School, Sunflower, Snapdragon, Violet and Poppy classes went to the Transport Museum, with some of the learners going on public transport to practice travel training. We were invited to The American School to watch them prepare for their Christmas

Concert. Winter Wonderland also opened this week, and Jasmine and Buttercups went to watch a performance at the Circus.

In the Upper School, classes have visited the Museum of London, Olympic Stadium, and Winter Wonderland. A group of students represented Swiss Cottage School at a "Take Over Camden" event, where they took part in workshops on Social Media and Healthy Eating. They also had the opportunity to share their ideas to Camden Council and Camden schools.

Classes across the school are starting to get ready for our end of term performances which are taking place in the final week of school. Dates and times for individual classes will come through the home-school book.

### Parent Governor

We have a Parent Governor whose term of office is due to come to an end. If you would like to be a parent governor, please email [admin@swisscottage.camden.sch.uk](mailto:admin@swisscottage.camden.sch.uk) by Friday, 2<sup>nd</sup> December 2016. Feel free to contact the school if you would like information on the role of governors and the time commitment expected with the responsibility.

### Camden Local Offer

The Local Offer is a very important website that provides links to all of the support available to children and young people with Special Educational Needs and Disabilities.

[www.localoffer.camden.gov.uk](http://www.localoffer.camden.gov.uk)

The Camden Local Offer is being reviewed by Camden Local Authority, and your opinion is really important in sharing what works well and what you feel needs to change. When you are viewing the Local Offer, consider what you feel is needed beyond the school day. Are there enough activities for your child after school or in the evenings? Do the activities and locations promote your child's inclusion within the wider community? What else do you want for your child?

A printout of the survey will be made available on Monday via the home-school book. Please return it to us by Friday. We are available to help you explore the Local Offer and complete the survey. Please feel free to drop in anytime next week 9:00-9:45 and 3:00-3:45 and a staff member will join you. If you would like support at a different time, please contact the school and it will be arranged at a time that works best for you.
