

Weekly Newsletter 5th January 2017

Dear Parent/Carer

Welcome back and happy New Year to you all. We have had a very positive week, welcoming all of the learners back to school to settle them back into their routines. The weather is very cold at the moment and could possibly get worse. Please remember to send your child into school with appropriate outdoor clothes so that we can still access the local environments. Please check the weekly newsletter for dates of events that will be taking place in school. We will endeavour to give as much notice as possible so that you can be involved in the events.

Lower & Upper School

We hope that all our families have had a peaceful, enjoyable and relaxing festive season and we would like to wish all of you a very Happy New Year and successful 2017. It was pleasing to see everyone back with smiles on their faces all eager to start the new term. This term the theme is 'As time goes by'. For some classes this may mean looking at events in history and others will interpret this as developing a concept of time and lifecycles. Teachers are already busy planning lots of exciting lessons and trips out into the community. They have also been reviewing learners PLIMS and parent will shortly be receiving revised PLIMS for their children.
