

Weekly Newsletter 15th September 2017

Dear Parents, Carers, and Families,

I would like to welcome you to your weekly newsletter. Every week I will be sharing with you any whole school updates and key information. This will also be a chance to highlight the learning that takes place in the classroom and beyond.

Our pupils have all been settling into their new classes well and we are all looking forward to the year ahead. Currently class teams are focused on getting to know the learners during the transition period, and this is being supported by the term's theme of 'Changes'.

This week you will receive the Autumn Term Personal Learning Intentions Map (PLIMs), which specify outcomes your children will be working towards this term, and Medium Term Plans outlining in more detail activities and sessions for this half-term.

All learners will be issued with a home-school diary so that we can share information with you on a variety of things. It is really important that you take the time to read it and see what your child has been doing in school. We don't expect you to write in the book everyday but please do share important information, questions, and positive news with us too!

We also welcome you to contact us in other ways such as email or telephone. You can discuss this further with your individual class teachers. We are finishing the planning for Parent Council, Family Inclusion Team workshops, and After School opportunities. All of this information will come to you over the next two weeks.

Best wishes,

Monika Gaweda
Head of School
